**SECTION**

- 8-214. Permits for certain premises prohibited.
- 8-215. Application for and issuance or refusal of permit.
- 8-222. Prohibited conduct or activities by beer permit holders.
- 8-224. Sales to minors prohibited; employment of ex-convicts prohibited.
- 8-226. Penalties; violation.

**8-214. Permits for certain premises prohibited.** (1) No permit shall be issued to sell beer or other beverage coming within the provisions of this chapter in violation of any provision of state law, or where such sale will cause congestion of traffic or will interfere with schools, churches, or other places of public gathering, or will otherwise interfere with the public health, safety, or morals. In no event will a permit be issued authorizing the manufacture, storage or sale of beer within five hundred (500) feet of any school, church, funeral home, hospital, licensed day care facility, or other place of public gathering. For purposes of this section, distances shall be measured in a straight line from the closest point of the applicant's building to the closest point of the building of the school, church, funeral home, hospital, licensed day care facility, or other place of public gathering; provided, however, that if the applicant leases space in a shopping center or strip mall, the distance shall be measured in a straight line from the closest point of the nearest interior wall of the applicant's leased space to the closest point of the building of the school, church, funeral home, hospital, licensed day care facility, or other place of public gathering. The judgment of the beer board on such matters shall be final except as same is subject to court review.

(2) No permit shall be suspended, revoked or denied on the basis of proximity of the establishment to a school, church, or other place of public gathering if a valid permit had been issued to any business on that same location as of January 1, 1993, unless beer is not sold, distributed or manufactured at that location during any continuous six-month period after January 1, 1993.

(3) No permit shall be issued to sell any beverage coming within the provisions of this chapter for consumption on the premises where the primary or principal business carried on is the sale of groceries, drugs, candies, soda, fountain drinks, merchandise, or commodities, other than the serving of meals and lunches; provided, nothing in this section shall prevent sale or consumption

in dining rooms and lunch rooms of stores where such rooms are separate and distinct from other departments.

(4) Notwithstanding anything herein to the contrary, the five hundred (500) foot minimum distance requirement contained in subsection (a) of this section shall not apply with respect to any school, church, funeral home, hospital, licensed day care facility, or other place of public gathering that is located in a shopping center or strip mall.

(5) Any permit holder possessing a valid permit to sell beer on the effective date of the ordinance comprising this chapter, may continue to possess such permit and after the effective date of this chapter notwithstanding the fact that such permit holder's location does not comply with the distance regulations set forth in this section, provided, that such permit remains in compliance with the other provisions of this chapter. In accordance with § 8-217 of this chapter, any such permit shall expire on termination of the business, change in ownership, relocation of the business or change of the business's name. Any new applicant for permit related to the same location must comply with the distance regulations set forth in this section. (Amd. Ord. #09-20, June 2009; Ord. #04-40, Nov. 2004, modified)

**8-215. Application for and issuance or refusal of permit.** Before any permit is issued by the beer board, the applicant therefor shall file with the secretary a sworn application in writing establishing the following facts which are hereby made conditions of any permit issued and any misstatement of fact shall be sufficient for cause for the revocation of such permit:

(1) The applicant shall be a citizen of the United States or a legal resident alien, or if a firm, syndicate, association or other business entity, the members thereof holding an interest greater than forty nine percent (49%) shall be citizens or legal resident aliens of the United States, and no applicant shall be less than twenty-one (21) years of age. The applicant shall designate the location of the premises where the business will be conducted and shall name the owner or owners (including members, shareholders, officers and/or managers) of the premises.

(2) No person shall be employed in the storage, sale, or manufacture of such beverage except citizens of the United States or legal resident aliens.

(3) The applicant shall not engage in the sale of such beverages except at the place or places for which the beer board has issued a permit or permits to said applicant.

(4) No sale of such beverage shall be made except in accordance with the following conditions:

(a) If the application is for a permit to sell for consumption on the premises, said applicant will make no sale except where meals or lunches are regularly served at tables or counters under a regular permit.

(b) If the application is for a permit to sell at hotels, sales for consumption on the premises will be made only at tables and to persons in guest rooms.

(c) If the application is for a permit in a club or lodge, such applicant must be a regularly incorporated club or lodge operating under a charter and bylaws in which the officers are elected by the regular membership. Members of said organization must pay a substantial membership or initiation fee. The purpose of organization and existence of said club shall be for purposes other than the sale of beverages covered by this chapter.

(d) If the application is for a permit to sell not for consumption on the premises, no sale will be made for consumption on the premises. Furthermore, no consumption shall be allowed on the premises. No such beverage will be kept for sale on said premises except in the original packages or containers.

(5) No sale shall be made to persons under twenty one (21) years of age.

(6) Neither the applicant, nor any person employed by him in the sale, storage, or distribution of beer, nor any person, firm, corporation, joint-stock company, syndicate, or association having at least five percent (5%) ownership interest in the applicant, (a) has been convicted of any violation of the laws against possession, sale, manufacture or transportation of beer or other alcoholic beverages; (b) any crime involving moral turpitude; (c) any conviction for a crime violating a drug or alcohol law or a crime involving physical violence, within the last five (5) years; or (d) having more than one conviction for a crime violating a drug or alcohol law or a crime involving physical violence, within the last ten (10) years. If an applicant has a disqualifying criminal cause pending against him at the time of application for a beer permit, then the board may require that the applicant report to the town clerk within thirty (30) days of resolution of the pending criminal matter, the final outcome of the matter, which outcome or resolution may cause the applicant's beer permit to be placed on the beer board agenda for consideration of suspension or revocation in accordance with § 8-223. Failure to timely report in accordance with this provision shall be considered by the board in its deliberations.

(7) The applicant shall conduct the business in person for himself. If the applicant is acting as agent, the application shall state the person for whom the applicant intends to act.

(8) The applicant shall comply with the by-laws and rules of procedure of the Smyrna Beer Board.

The applicant shall not purchase beer except from manufacturers or distributors licensed to manufacture or distribute such beverage in this state. No manufacturer or distributor shall sell beer for resale except to those who have been licensed by the beer board.

The beer board shall consider each application filed and grant or refuse the permit according to its best judgment of the facts and circumstances. Revocation of a beer permit at one location shall not be the sole disqualifying factor in considering the issuance of beer permits at other locations. The action of the beer board in granting or refusing a permit shall be final except as same is subject to court review.

Any applicant making a false statement in the application shall forfeit such applicant's permit and shall not be eligible to receive any permit for a period of ten (10) years. (Amd. Ord. #09-20, June 2009; Ord. #03-03, Feb. 2003, modified)
