

Meeting Minutes of the Town of Smyrna Stormwater Advisory Committee

April 7, 2005 at 5:00 PM

Smyrna Town Hall / Codes Department Conference Room

Members Present:

| | |
|------------|----------------|
| Paul Johns | Jerome Dempsey |
| Ray Lee | Greg Upham |

Greg Upham called the meeting to order at 5:08PM on April 7, 2005.

The committee addressed the following issues:

- 1) Jerome provided location information for two construction sites he thought needed sediment control measures implemented as soon as possible.
- 2) The attending members were given an informational packet, which included a listing of all construction projects and lost fee receipts that would be 'grandfathered' in if the postponement is approved by council.
- 3) The postponement of the Storm Water Fee program was discussed. Paul said that it was placed on the agenda of the Smyrna Town Council during the latest council workshop. A vote on the postponement will be held at the next Town of Smyrna Council meeting.
- 4) A table listing the 52 inspected construction sites was reviewed and an explanation of the Notice of Violation (NOV) process was presented to the attending members.
- 5) A listing of Storm Water Management project descriptions, accompanied by a 5-year budget, was very quickly reviewed as the membership had reviewed these projects at last month's SWAC meeting.
- 6) The status of the Municipal Pollution Prevention Plans (MPPPs) and WET –After the Storm Project were quickly discussed.
- 7) The upcoming Stones River Watershed Association meeting to be held in Smyrna on May 21st at Volunteer Park was also presented.

The next meeting of the Town of Smyrna SWAC is scheduled for May 5, 2005 at 5:00PM.

There being no other business, the meeting was adjourned at 5:35 P.M.

Kevin Rigsby, Secretary
