The purchaser and/or owner of each gravesite is required to contact the Maplevue Cemetery Office before placing any headstones, markers and/or statues on any gravesite. A 48 hour notice is required so the gravesite can be marked for proper placement. The Town of Smyrna and/or its agents shall not be held liable for any damage to, and/or any loss, of any such item. *Decorative items such as garden stakes, shepherd's hooks, trellises, arches, crosses, boxes, mailboxes, and other such devices can be a safety hazard to visitors and staff. To help prevent trip hazards for visitors and staff, all other decorations must be kept on the headstone or the footstone of the grave, not on top of the gravesite (except funeral flowers.). No glass containers for cut flowers or watering purposes shall be permitted on any gravesite as they can be a hazard to visitors and staff. If not properly maintained or within 6-inches of the marker, the Town or its assigns has the right to remove and discard these items.*

B. New gravesites shall be subject to cemetery rules as stated in this Title; however, until the gravesite contains a headstone or within 12 months of the interment, whichever occurs first, the gravesite may display decorative items within two (2) feet of the grave head.
